

PET POLICY

The Village of Madrid has adopted a policy on pets.

We request that you register your dog for \$5/dog and bring in a current copy of vaccinations (rabies, distemper, etc). ALL dogs within the village are required to be licensed annually on or before May 1st.

Any dog running at large will be contained and taken to the Perkins County Animal Shelter. The dog's owner will be charged a \$100.00 fine. The owner will be permitted to pick the dog up from the shelter after the fine is paid.
